## THE COUNTY TICKET.

For Representatives,  
JOHN A. WINSTRODE, of Akron.  
HON. C. N. RUSSELL, of Cuyahoga  
Falls.For Prosecuting Attorney,  
S. G. ROGERS, of Akron.For Auditor,  
DR. F. J. BAUER, of Mogadore.For Surveyor,  
T. D. PAUL, of Akron.For Commissioner,  
CHAS. A. BARNES, of Copley.For Infirmary Director,  
JOHN SPELLMAN, of Northampton.Presiding Admiral Dewey has ad-  
joined the Naval Court of Inquiry  
until after the funeral of the Presi-  
dent. Why not adjourn it for all  
time?The Democratic campaign opening,  
which was to have been held at Bu-  
cyrus, Sept. 28, has been postponed  
because of the death of President  
McKinley.Akron's Memorial services on ac-  
count of the death of the President  
will be held next Sunday afternoon.  
The obligation is upon every citizen  
to join in the services.The Western railways are depriving  
shippers of free passes over their  
lines. This policy would be more pop-  
ular if it were directed against some  
of the legislators and other public  
servants who have been riding on  
passes supplied free by the railways."I wish to state that it shall be my  
aim to continue absolutely unbroken  
the policy of President McKinley for  
the peace and prosperity and honor  
of our beloved country," was the  
pledge given by President Roosevelt,  
just before he subscribed to the oath  
of office.The facts disclosed by the autopsy  
upon the body of the President show  
upon what deceptive foundation the  
people builded their hopes for his re-  
covery. It seems surprising that the  
mortal nature of the wound should  
not have been detected by the eminent  
medical men until the final collapse of  
their patient.President Shaffer's announcement  
that the steel strike has been "set-  
tled" will be regarded as more or less  
perfunctory by those who have kept  
in touch with the progress of the  
strike. The settlement leaves the  
Amalgamated Association considera-  
bly weaker than it was when it chal-  
lenged the Steel trust.

## UNOFFICIAL.

Cuyahoga Falls has Made No  
Arrangements For Memorial.

(Special Correspondence.)

Cuyahoga Falls, Sept. 14.—There  
will be no official observance of the  
death of the President at the Falls,  
by Council, or the officials of the vil-  
lage.At the Congregational church there  
will be memorial services Sunday eve-  
ning and the other churches will also  
have services bearing on the event.WISE and  
Otherwise.

There is now only one item of news.

Canton will have more people in it  
Thursday than it has ever had be-  
fore.What odds whether this flag or that  
flag was the first to be placed at half  
mast?Nearly every public building and res-  
idence in Akron is appropriately  
draped.There are no Democrats, no Repub-  
licans, no partisanship—the people are  
one in mourning.Another State convention is booked  
for Akron next year. The Catholic  
Knights of Ohio will convene here.The new pastor and congregation of  
the First Congregational church  
seems very well pleased with one an-  
other.Some actresses win publicity by hav-  
ing their diamonds stolen; some are  
talked about because their pictures  
are published in unique positions.In Canton, of all places, the news-  
papers should have had the decency  
to refrain from exploiting the points  
of excellence or superiority of their  
respective news service at such a  
time.The example of the Diamond Rub-  
ber Co. in summarily discharging an  
individual who expressed anarchistic  
tendencies, is very likely to be fol-  
lowed by all others, and the places  
of such men can be quickly filled.The Canton-Akron Electric Railway  
company has secured from the Com-  
missioners of Stark county a fran-  
chise to extend its line from Canton  
to New Philadelphia, through Na-  
varre, Justus, Ellettsville and Beach  
City. The franchise was granted for  
25 years, and after 10 years from the  
date of issuance the company is to  
pay the county \$25 per mile annually  
to hold the franchise.The Catholic Knights of Ohio in  
their State convention last week  
adopted a resolution recommending  
the formation of anti-treating clubs as  
a preventive of drunkenness. These  
societies will work in a quiet way,  
but they ought to be powerful auxil-  
iaries to the cause of temperance.  
It would be a relief to some of the  
candidates if the anti-treating socie-  
ties would resolve to go into politics.

## AN OLD FASHIONED WOMAN.

No clever, brilliant thinker she.  
With college record and degree,  
She has not known the paths of  
fame,  
The world has never heard her  
name.Home is her kingdom, love her  
dower—  
She seeks no other wand of power.

## CAUGHT A NURSE.

Didn't Know Old King Coffee Had Her.

"The duties of professional nurses  
call them among a great many differ-  
ent people, and it is surprising to  
know how many are suffering from  
the use of coffee, which is the primary  
cause of the majority of many nervous  
disorders. My own experience has  
been such that I feel that I can speak  
with some knowledge of the subject.  
"For about ten years I was afflicted  
with a severe nervous disorder, which  
was so great that sleep became an  
unknown thing to me without the use  
of opiates. I was a confirmed coffee  
drinker at this time, but had never  
thought that had anything to do with  
the difficulty."After coming to Chicago to live I  
was told by an acquaintance, who had  
been a similar sufferer from nervous-  
ness, that he discovered it was caused  
by the use of coffee, and when he made  
that discovery, gave up the coffee  
and took up the use of Postum Food  
Coffee and was completely restored.  
His argument sounded so logical, I  
was determined to make the experi-  
ment, and to my surprise, upon leav-  
ing off the coffee habit I commenced  
to improve. This improvement has  
continued until now I am in complete  
health and sleep well and naturally.  
I always advise patients suffering  
from nervous trouble to abandon the  
use of coffee and use Postum, for I  
know what I am talking about on  
that subject."Occasionally private families do not  
prepare Postum well, that is, they fail  
to allow a sufficient amount of time  
for boiling. It requires more boiling  
than coffee, but the care well repays,  
for the beverage is delightful to the  
taste and wonderfully nourishing."  
Maggie F. Church, No. 2 E. 33d Place,  
Chicago, Ill.Postum is sold by all first-class  
grocers, and made by the Postum Cer-  
eal Co., Ltd., Battle Creek, Mich.

Around her childish hearts are  
twined,  
As round some reverend saint en-  
shrined,  
And find all purity and good  
In her divinest motherhood.  
She keeps her faith unshadowed  
still—  
God rules the world in good and ill.  
This sad old earth's a brighter place  
All for the sunshine of her face;  
Her very smile a blessing throws,  
And hearts are happier where she  
goes,  
A gentle, clear-eyed messenger,  
To whisper love—thank God for her!

## MILITIA

Notified to be In  
Readiness.Eighth Regiment Will  
Assemble Wednesday.Police Duty to be Per-  
formed at Canton.Specific Orders Not Yet Received  
In Akron.

The Eighth Regiment's officers have  
been notified that they will be ex-  
pected to take part in the funeral of  
the President and that they will be  
called out for three days' service. Col.  
Edward Vollrath notified the comman-  
ders of the companies of the regiment  
that they will be mobilized at  
Canton, Wednesday for three days  
service.

The orders for the camp and the  
work to be done have not yet been re-  
ceived by the company commanders,  
but they are expected at any time.

While it is not expected that the  
men of the National Guard will mis-  
behave, the commander-in-chief has is-  
sued instructions telling the men of  
the importance of the service that  
they will be expected to perform and  
cautioning them against any unseem-  
ly conduct.

The soldiery will perform police  
duty in the city of Canton until all  
the details and the services in connec-  
tion with the President's funeral are  
over. This will probably be the big-  
gest service for which the local guard-  
men have ever been called out.

## RAILWAYS

Are Ready For a Big  
Week.There Will be Much Traffic to  
Canton.

The local railroads are in expecta-  
tion of a big rush of traffic to be  
brought over their lines by the funeral  
of President McKinley at Canton,  
Thursday. The mobilization of the  
Ohio National Guard and the enor-  
mous rush of people that is sure to  
take place to Canton for the funeral  
is the cause of the preparation that is  
being made.

Monday was the first working day  
for the office force of the railways  
since the first arrangements for the  
funeral were made. It is not as yet  
known what crowds will be carried  
or just what arrangements will have  
to be made. It is probable that the  
rush from Columbus will be over the  
C. & C., and most of the traffic  
from Cleveland will probably be  
handled by the C. T. & V.

## CARTOONS

Condemned by Minister Sun-  
day.

West Superior, Wis., Sept. 16.—A  
memorial service was held by the  
Methodists here today and was nota-  
ble for the eulogizing of the late Presi-  
dent.

Bishop Earl Cranston, of Portland,  
Ore., the presiding bishop, spoke in  
regard to the cartoons and delivered  
a bitter tirade against cartoonists. He  
denounced them as portraying things  
in a wrong and improper light and as-  
serted that they brought about much  
bitterness through this improper por-  
trayal.

"One hundred years from now," he  
said, "cartoonists will be looked upon  
with much more horror than they are  
today. Men will realize the harm they  
do and will look upon them with ab-  
horrence."

## EAST OHIO

Conference of  
MethodistsWill Open at New  
Philadelphia.Will Select Trustee For  
McKinley's Place.The Training School at Kenmore  
Discussed.

New Philadelphia, O., Sept. 16.—  
Everything is ready for the reception  
and entertainment of the east Ohio  
Conference, which will open its twen-  
ty-sixth annual session in the Metho-  
dist church here on Wednesday. This  
is one of the largest and most im-  
portant conferences in the United  
States, extending from Lake Erie to  
the Pennsylvania line, and touching  
the Ohio river at Marietta and the  
Muskingum river on the west. Em-  
bracing a large part of the city of  
Cleveland, it covers a territory of  
wealth and influence.

It has within its bounds 75,000 mem-  
bers and 60,654 Sunday school pupils,  
who attend 551 churches, valued at  
\$2,976,795. There are 250 pastors,  
who received last year \$195,875 in  
salaries. Many questions of import-  
ance will come before this session,  
among them being the selection of  
the chairman of the board of trustees  
for the Old Folks' home at Xenia,  
made vacant by the death of Presi-  
dent McKinley. Another will be the  
proposition from Akron parties for the  
establishing of a training school for  
girls at Kenmore, O., with an endow-  
ment of \$100,000, the church to raise  
\$50,000 and the men who have offered  
to donate the land to assist in securing  
\$50,000 more.

A Sure Cure For Dysentery and  
Diarrhoea.

"Some years ago I was one of a party  
that intended making a long bicy-  
cle trip," says F. L. Taylor, of New  
Albany, Bradford county, Pa. "I was  
taken suddenly with diarrhoea, and  
was about to give up the trip, when  
editor Ward, of the Laceyville Mes-  
senger, suggested that I take a dose  
of Chamberlain's Colic, Cholera and  
Diarrhoea Remedy. I purchased a  
bottle and took two doses, one before  
starting and one on the route. I  
made the trip successfully, and never  
felt any ill effect. Again last summer  
I was almost completely run down  
with an attack of dysentery. I bought  
a bottle of this same remedy, and  
this time one dose cured me." For  
sale by all druggists. E. Steinhilber

Mr. E. C. Labadie Takes Charge  
at Western Union.

Mr. E. C. Labadie, of Petoskey,  
Mich., on Monday succeeded Mr. A. V.  
Johnson as manager of the Western  
Union Telegraph Co. in Akron. He  
is thoroughly experienced. Mr. John-  
son who resigned some time ago, will  
remain in the city for some time.

## NATIONS

Urged to Unite and Wipe Out  
Anarchy.

New Orleans, La., Sept. 16.—(Spl.)—  
Dr. Palmer, chaplain general U.S.V.,  
and one of the most noted divines in  
the South, in his sermon Sunday, re-  
ferring to anarchy, advocated a Con-  
gress of nations to devise means to  
stamp it out.

## TWIN TROUBLES.

They are Often Together in These  
Days—They Work Havoc all Over  
The Country and in Akron,

Weak, nervous, the digestion out of  
order—that is what ails a host of peo-  
ple. It comes about in this way:  
First from overwork or other causes,  
the nerves are burdened beyond en-  
durance, nerve waste is not replaced,  
nerve force is weakened, then the  
stomach loses its nerve controlling  
power and indigestion follows with  
failing strength. When first Dr. A. W.  
Chase's Nerve Pills came to Akron  
people could hardly be convinced that  
this great medicine would remove  
these troubles. Now it is an accepted  
fact because of their cure of very  
stubborn cases no other medicine  
would influence.

Mrs. B. Hogan of No. 101 Hickory  
st., Akron, O., says: "We have used  
Dr. A. W. Chase's Nerve Pills we got  
at Lamparter's drug store on South  
Howard st., with great success where  
the stomach was weak—the food  
would not digest and caused headaches.  
In a case of this kind in our family  
the results were fine—the stomach and  
digestion are now all right and the  
headaches a thing of the past. This  
we think is good proof of their value."  
Dr. A. W. Chase's Nerve Pills are  
sold at 50c a box at dealers, or Dr. A.

## ALL OVER.

The Strike at Mc-  
Keesport.Night and Day Men at  
Work.Malcontents Are Few  
and Helpless.The Resumption of Operations  
Was Accomplished Peacefully.

McKeesport, Pa., Sept. 16.—(Spl.)—  
"It is all over," is the general com-  
ment this morning in relation to the  
big steel strike at the National Tube  
works. This morning both the night  
and day turn men reported for work.  
There are a few malcontents who  
protest against the settlement, but  
they are so much in the minority as  
to have no influence in preventing the  
resumption of work. More than  
enough men went into the plant this  
morning to man it in full. There was  
not the slightest disorder.

## BITTER.

Much Feeling Against  
Shaffer.Tin Workers Denounce the Peace  
Measures.

Pittsburg, Pa., Sept. 16.—(Spl.)—The  
gravest feature of the great steel  
strike may yet develop. Tin workers  
are particularly indignant and de-  
nounced the peace measures. The  
danger now is that the strikers at  
each mill may break away from the  
Amalgamated agreement and fight  
alone. The feeling against Shaffer  
in many quarters is bitter.

## RESUME

Schley Inquiry Fri-  
day Morning.Meeting Was First Cal-  
led Monday.President's Funeral the Cause of  
the Delay.

Washington, Sept. 16.—(Spl.)—The  
Schley Court of Inquiry will hold its  
next session at the Navy Yard Fri-  
day morning. The meeting had been  
called for this morning, but Admiral  
Dewey decided upon a postponement  
until after the funeral of President  
McKinley.
